

RETIRING FROM BUSINESS

Entire Stock of Staple and Fancy Groceries

Will Be Sold in Shortest Possible Time

SALE COMMENCING THURSDAY, JUNE 25TH, AT 8 A. M.

Your attention is called to the prices given and to the fact that you will not find on this page \$20.00 articles at \$3.98. Simply an itemized list of goods that are the best to be had in any first-class grocery store in the State at prices you'll never again equal on the same grade of goods. The prices always given heretofore in this store have been the lowest in the city and to make them much lower than they have always been would be nothing short of business suicide.

PRACTICE ECONOMY BY BUYING AT THESE PRICES

TERMS STRICTLY CASH--NOTHING CHARGED

THIS is a sale without a precedent in Anderson, as you've never had an opportunity to buy food stuffs at the price we are going to sell them. A sale at a grocery store is something out of the ordinary, as groceries are always sold at such a small margin of profit price reductions are impossible. We are not after profits, but want to retire from the retail business at once, and realizing that price concessions alone could turn the trick, we sure are making 'em.
